

⊗ Potential →

You're in your twenties and you have the whole of your life ahead of you, unlimited possibilities and untapped potential. So what do you do?

6th & 7th July
2 days to stop, reflect, dream
and make plans for your future

Potential is an opportunity for you to make space with others in a similar situation to reflect on some fundamental questions:

- Where am I and how did I get here?
- What do I really want?
- Who am I and what am I good at?
- Where am I going?

Taking place in the peace of an ancient monastery, Turvey Abbey, and costing only £70 when would be a better time to invest in your future?
